Dear Sir/Madam,

We are writing to you today to express our concern regarding the planned development of new homes on the Green Belt land in Byfleet.

These plans will remove almost all of our local green belt land and will have a significant impact on the local community. The traffic on the Parvis Road is already heavily congested and this will be further exasperated by the addition of more homes.

We ask you to reconsider these proposals and look for alternative sites that would not cause such a significant impact on the community.

Kind regards

Jordan and Hannah Addison
