Subject: Pyrford planning, Upshot Lane

From: Mr and Mrs DK Ashton, Friars Gate, Hockering Gardens, Woking. GU22 7DA

To: Jeni Jackson, Head of Planning, Woking Borough Council.

We strongly object to the proposed plan to build 400 + houses in Pyrford. Although we write from a Woking address, we have many connections with Pyrford.

The two Pyrford fields either side of Upshot lane are part of the current Green Belt and the proposed development must not be allowed to go ahead.

The increased traffic, in particular during school term time, would be disastrous on already very busy, narrow roads.

Our family have lived here for over 50 years and hold the area concerned in great regard.

Please, Jeni Jackson use your authority to prevent this happening.

Yours sincerely Derek Keith and Sissel Ashton
