Hello,

I've read about the extra 1400 houses you are planning to build in the future. I'd like to understand a little bit more on the road and infrastructure provisions bar the school you are making.

Paris Road is gridlocked generally at rush hour so I'd like to see if this is being properly thought out or a numbers and politics game that will impact negatively on the local area.

Please could you direct me to any detailed information on this.

Many thanks,

Chris Axe.
