

Green belt release

Sheila Bailey [REDACTED]

I am writing to object to the recent Site allocations DPD. It would appear that whilst Woking is losing very little of its green belt, yet again Byfleet is having to lose a great deal of its green belt. It would appear that very little consideration has been given to the flooding we suffer from, and also the traffic problems we have already will become much worse. We sent a petition in with 2,500 signatures objecting to this proposal but this appears to have been ignored. I cannot understand why Byfleet is always treated as the poor relation of Woking Council. My name is Mrs S. Bailey, 5 Hopfield Avenue, Byfleet, Surrey, KT14 7PE.
