To: Planning Policy

Cc: [REDACTED]

Attachments: objections semi completed ~1.doc (146 KB)

Regarding the above subject, I have attachment the above document listing my objections to proposed Planning / DPD public consultation documents.

I also have issues with Prey Heath road public safety issues - try walking IN the road when the cars are racing to / from Worplesdon Station - if you know the road and have children you will understand my concern for public safety, but more on this subject later.

Kind regards,

Richard Baranowicz
