With reference to any houses to be built in Pyrford.

I would like to object to the building of 400 houses on the fields either side of Upshott Lane.

However I do feel, as do many other people, especially younger people. that we need affordable houses and apartments in Pyrford - especially for younger people and people wanting to remain in Pyrford and wanting to downsize. Otherwise Pyrford will become a Village of older people with no health facilities and a bad bus service,

There must be infill sites around Pyrford - there are 3 golf courses and many fields with ponies or horses in them. Also the old school and playground are empty.

Yours

Pat Barnes
