13th July 2015.

Dear Sir,

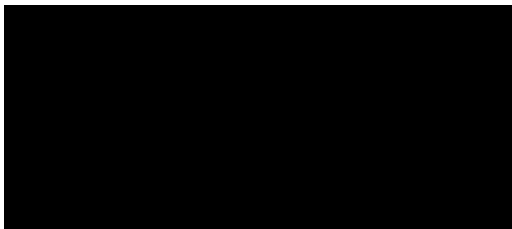

Proposals for Saunders Lane and other areas around Mayford

We wish to place on record our objection to any new large scale development of land around Mayford Village for the following reasons:-

1. Erosion of Green Belt; It seems absurd that the very policies designed to protect rural areas can be put aside so easily.
2. Increased strain on local facilities and infrastructure due to increased population and traffic.
3. Woking seems to have had more than its fair share of new housing development during the past forty years.

I recently heard a speech by Princess Ann where she suggested that problems with housing supply could be alleviated by allowing every town and village in the land permission to build a very small number of sympathetically designed houses. This seems an eminently sensible alternative to seeking areas for massive new estate developments.

Yours sincerely,

David & Shirley Bedford.
