### Your comment

In the Woking Green Belt Review published in 2014, it was recommended that Parcel 20 be released from the Green Belt. We support this view and look forward to the increased infrastructure and amenity that this will bring to the proximity of Mayford Village.

The current draft of the DPD accepts this recommendation by releasing the majority, but not all of parcel 20 from the Green Belt. The exceptions include our site.

**Proposed modifications** – please explain what changes you consider should be made, if any (for example, changes to the text, a site boundary, etc.)

The SHLAA review of our site notes the most significant barrier to short term development to be the Green Belt designation.

We would like to ask that the council consider either to implement the Green Belt Review recommendations in full, releasing our site from the Green Belt, or include our site in the designated Mayford Settlement Area.

These comments are page \_\_\_\_ of \_\_\_\_ pages.

### **More comments?**

If you would like to make additional comments about other proposed sites or sections of any of the consultation documents, please complete further copies of pages 3 and 4 of this questionnaire. Please ensure that these are firmly attached with the main questionnaire - including pages 1 and 2 providing your details - and return this by email or post to the Council (contact details on page 2).
