

Site Allocations DPD consultation online questionnaire.

About This Form

This is the online form which you can use to give us your comments on the draft Site Allocations development plan document (DPD). The public consultation documents are available at [Woking2027 website](#).

The public consultation is open from **Thursday 18 June to Friday 31 July 2015**. Unfortunately we cannot accept responses received after 5pm on the closing date.

You can let us have your comments in a number of ways:

- 1. Use this online questionnaire – instructions are set out below.
- 2. Complete a downloadable / printable questionnaire and return this either by email to planning.policy@woking.gov.uk or by post to the Planning Policy team, Woking Borough Council, Civic Offices, Gloucester Square, Woking, Surrey, GU21 6YL.
- 3. Complete the comments form accompanying the online Site Allocations interactive map (see www.woking2027.info).
- 4. You can also register your comments with the Planning Policy Team at one of our public consultation events (see www.woking2027.info)

If you have any questions about completing this form please contact the Planning Policy team by email on planning.policy@woking.gov.uk or telephone on 01483 743871.

Mandatory Fields

This questionnaire will ask you for your views on the various consultation documents: the draft Site Allocations document, the Sustainability Appraisal and the Habitats Regulations Assessment. If you have no comments on any one of these, simply choose 'next' to move to the next page of the questionnaire.

You can also suggest a new potential development site or make a general comment (not specific to any one of the consultation documents).

Some fields are mandatory, so must be completed. They are marked with a red asterisk.

Please note we are unable to accept anonymous responses.

You must complete all the form in one session, no information will be saved. If a form is half completed and closed, you will need to start again.

Data Protection

Please be aware that representations received by the Council will be made publicly available.

The Council may also use this information within the Council to exercise functions of a public nature in the public interest.

Your views on the Site Allocations document

This section is for providing comments regarding the Draft Site Allocations DPD. Please provide as much detail as possible, for example the page or paragraph numbers to which your comment relates and explain any changes you consider should be made to the document.

This section can also be used to suggest a new potential development site to the Council (please state the full site address and contact details for the landowner(s) in your comments).

Please give us your comment	I object to the proposal to build on the land surrounding West Hall in West Byfleet because of the detrimental effect this will have on the quality of life of West Byfleet residents, in light of the existing plan to build at the adjacent Broadoaks site and also in Pyrford. I already have to negotiate the extremely busy and dangerous junction between Pyrford Road and Parvis Road with my two young children who attend the West Byfleet Schools (Infant and Juniors) and often, for safety reasons, drive instead of walking or cycling (which would be my preference). The extra 404 vehicle trips between 8am and 9am that are predicted to arise as a result of this development would make both our journey to work and, on days when I work (at Brooklands), my journey to work much longer and more dangerous. Additionally, I do not believe that enough thought has been given to the impact on school places. The West Byfleet Schools have been, and are being, expanded but

the additional 30 places per year intake have already been given away to existing children in the area and no further classrooms can be built on the site, surely? The housing at West Hall will largely not be of benefit to local residents (due to the price) and will merely enable more families moving out from London to do so, thus increasing the numbers of children within the school catchment.

Loading the Broadoaks, West Hall and Pyrford developments into the same small corner of Woking Borough makes no sense with regard to the load on the infrastructure, roads, health services, etc, unless all of these are to be expanded substantially - which there is no space to do.

Proposed modifications - Please explain what changes you consider should be made (for example, to the text, to the site boundary)

I accept that the Broadoaks development will go ahead, but in light of that the West Hall and Pyrford ones should not.

Any other comments

Thank you for taking the time to respond.

You have reached the end of this questionnaire. Please ensure that you have completed all the relevant fields.

If you wish to review all the information you have supplied click on the **Review** button.

If you wish to change some of the information you have entered click on the **Previous** button to get back to the relevant page.

If you wish to discard the information you have entered click on the **Cancel** button.

When you are happy with the information you have supplied click on the **Submit** button.

What will happen next?

When you click the submit button, the information you have provided will be submitted to the Council as a formal response to the consultation. A copy will also be sent to the email address you have provided, for your records. Please note that responses will not be individually acknowledged.

After 5pm on 31 July 2015, all of the responses will be analysed. We will compile the results of the consultation and will update the Site Allocations document before asking for your views again. After that, the final Site Allocations document will be submitted to the Government for its consideration at an independent Examination.

The Council provides updates on the progress of this and other planning policy documents to those who have responded to a previous consultation and /or have expressed an interest to be kept informed. We also keep our local plan website [Woking2027](#) up to date with the latest information.
