Please give us your comment	A rare opportunity has arisen where part of this Site can achieve a Community Project that will develop the young of Woking. This Site has been allocated for release from the Green Belt and to be allocated for 2022-2027. I support this reasoning. I do believe that some of the site could be released earlier for Affordable Housing in the form of houses with gardens and also for Care home needs. obviously at the end of the day it is the Councils members decision, but they must take into account that all parts of the borough must have some new development for the town to prosper. This part of the urban area has had no new development and so the residents must realise that they have to allow a fair share. Because of the sustainability of this site it should be released earlier to help the accommodation need of WBC

Any other comments

SHLAAMSG012 Land south of Mayford Grange Westfield Road Mayford Woking GU22 9QR.

This should be looked at with the purpose of enlarging Mayford Grange.

This is a stand alone site with protected boundaries on all sides.

By releasing it for development would help the local employment need and economy.

I would like to support Tetlow King Planning on behalf of Retirement Villages limited how have made a submission.

SHLAAMSG010 Compound Sutton Green GU4 7QF

I would like to submit this site as I have done in the past through the SHLAA.

I believe this should be looked at for a possible traveller pitch, Mr R Morgan

has approached on this subject.

SHLAAMSG011

Land adjacent to Maybourne Rise Mayford GU22 0SH

I would like to support this site as I have done in past in the SHLAA examination.

I believe if Woking is to maintain a presence in the larger scale of things this would be a perfect site for a hotel.

The Site has a history of such having been the home of the Mayford Manor Hotel, which was demolished for housing.

With the new school being located along the Egley Road only half a mile away this would provide a need for visiting staff, even siting schools from abroad, and with the associated leisure facilities with the school ,a hotel

would be well placed.

Thank you for taking the time to respond.
