SHLAAMSG011 Land adjacent to Maybourne Rise Mayford GU22 0SH%0AI believe this site should be included within site allocation for 2022-2027 release from Green Belt.%0AI believe it to be perfect site for Hotel to be incorporated with the building of the New School on Egley Road %0Awhich is only half a mile away, and also only same distance to Worplesdon Railway Station.%0AI t would support local employment and be a very welcome return of hotel which was situated yards from this site.
