> Further to the potential development of 423 new homes in Upshot Lane, Pyrford, I would like to submit my view and strong opposition to this to you in writing.

> My husband, young son and I moved to Pyrford from London earlier this year. One of the main attractions of moving to the area was the fact that it offers so many green open spaces.

> West Byfleet and Pyrford is already congested with traffic, particularly in the morning and late afternoon into the evening. Adding these properties will only bring further traffic congestion, traffic pollution and noise to the area. I urge you not to build on these two fields and, instead, consider alternative brownfield development elsewhere within the borough.

> Many thanks,
