Site GB15 Land surrounding West Hall West Byfleet

Objecting

I think the green belt around West Hall should be preserved. If we take this away, we are effectively joining West Byfleet to Byfleet in an urban sprawl. It will increase traffic along Parvis Road. It is already impossible to turn right out of Dartnell Park - those junctions are an accident waiting to happen. The mix of housing is not in keeping with the area - planning on Dartnell Park is tightly regulated and this area is opposite Dartnell Park. Plus, if we allow building on there, where next? It would seem to set an unpleasant precedent for building on green belt in West Byfleet and I can see the recreation ground and surrounding land being next. The land behind the schools is also being excluded from Green Belt, so planning permission for that could be next and we will be left with no green belt in West Byfleet at all.

Proposed modifications - Please explain what changes  
you consider should be made (for example, to the text, to  
the site boundary)

Land around West Hall should remain Green Belt.

Site GB16 Broadoaks West Byfleet

Supporting

This is a site which is long overdue for redevelopment. I fully support the mixed use to create jobs and homes, but the increased traffic along Parvis Road must be addressed to facilitate right hand turns from Broadoaks and Dartnell Park by means of roundabouts or traffic lights.

Proposed modifications - Please explain what changes you consider should be made (for example, to the text, to the site boundary)
