I wish to formally log my objection to the proposed new housing developments either side of Upshot Lane. I have lived in Pyrford since 2003 and to be frank find things like getting a doctors appointment and getting preferred school places for my children very stressful. Building this many houses is going to impact further on the problems we are currently facing and please don't start me on the extra traffic on our local roads that this will no doubt bring.

As I have never done this kind of thing before, I trust that this will suffice in bringing another local objection to your attention. Please advise if anything more formal is required.

Regards,

Adele Clare-Campbell
