Site allocations	Site GB12 R/o 79-95 Lovelace Drive Pyrford

Please give us your comment	This is a wholly inappropriate site to develop, firstly on the basis of local infrastructure. The road system can not cope with additional traffic and would require extensive (prohibitive modification); the school in Pyrford is already full and can't cope with more pupils; parking for the school is chaotic and dangerous already so another 400 houses across sites GB12 and GB13 is at best irresponsible; whilst close to the shops on Marshall Parade, try parking there at any time !; the doctors surgery in West Byfleet is full (try getting an appointment and you'll see my point !); the sewage and water systems are old and at capacity already. Secondly, this site was previously subjected to a planning application from the irresponsible land owner, Burhill Estates, which led to a public meeting and enquiry with Woking Council objecting to the application - so what has changed this time round (pressure from the land owner perhaps who is desperate to sell this land, has been for years and simply wants to make a profit

and sod the local residents who will be impacted for years to come. Whoever thinks this is a suitable site for development is at best misinformed and at worst negligent to the needs and wishes of the local residents in Pyrford. This site is not supported by the Pyrford Forum's plans either.

Simple - remove it !

Proposed modifications - Please explain what changes you consider should be made (for example, to the text, to the site boundary)

General comment or suggest a new site

This section is for general comment not covered by the previous pages.

Any other comments

The wider infrastructure around Pyrford is beyond capacity - road system, schools, sewage, water etc - and removing land from the Greenbelt (which the Conservative Gov't has pledged to stop) at sites GB12 and 13 is wholly unacceptable and should be removed from the development plan immediately
