Dear Sirs,

We are pleased to have this opportunity to comment on the Regulation 18 consultation version of the Working Site Allocations Development Plan Document. Turley is acting on behalf of Taylor Wimpey who has an interest in land to the west of Byfleet. The site contains two parcels, which are specifically referred to in the document as GB4: Land south of High Road, Byfleet KT14 7QL and GB5: Land to the south of Murray's Lane, Byfleet, KT14 7NE. We have attached electronic copies of our representation to this e-mail, but will also be sending hard copies in tonight's post.

We trust that these comments are helpful and look forward to participating in the next stage of the plan. In the meantime please do not hesitate to contact us if you would like to discuss our comments or require any further clarification.
