Dear Sirs

Green Belt Land in Byfleet

I am an elderly lady living over 10 years in Byfleet Village and do not want it spoilt. I would like the proposals to be turned down on the following grounds:

- a) The Green belt land around our village should be preserved because there is other land available
- b) The A245 Parvis Road will be unusable. Even now it is constantly blocked at commuter times
- c) There is insufficient health provision particularly for the elderly who cannot travel easily to West Byfleet and not enough places for Byfleet children in local schools. Proper drainage and wider roads must be provided before any developments are proposed.

Yours sincerely

(Mrs) Vera Coker
