Further to my phone call to your office this morning, when I spoke to Melanie Hayward, I would like to submit the 9 acre field I own as a site for potential future development. The field is located next to my home in Pyle Hill, Woking, Post Code GU22 0SR. The Land Registry Title Number is SY 567392.

I was advised to complete the Site Allocations DPD form, and this is attached.

Please let me know if you require any further information at this stage.

Best Regards,

Peter Cox
