Subject: Woking Development Plan

>>

>> Dear Mrs Jackson,

>>

>> I am writing to object to Woking's Development Plan in respect of land either side of Upshot Lane, Pyrford.

>>

>> My Name is Jennifer Cracknell.

>> My address is: 45 St Nicholas Crescent, Pyrford, Woking GU22 8TD.

>>

>> There are many reasons to object and in the interest of brevity I would mention:

>>

>> 1) Pyrford is unique in the Borough for its Conservation Areas and Heritage assets. The effect of the proposed development on these assets will be disastrous.

>>

>> 2) Pyrford is already congested at peak times, with through traffic and children leaving school being met by their parents. Pyrford will not take more traffic.

>>

>> 3) There will be major infrastructure issues created by the building of so many houses, namely Schools, Elderly Care facilities, other medical provisions, major traffic flow chaos.

>>

>> I look forward to learning that this plan has been withdrawn.

>>

>> Yours faithfully,

>>

>> Jennifer Cracknell
