Your views on the Site Allocations document

This section is for providing comments regarding the Draft Site Allocations DPD. Please provide as much detail as possible, for example the page or paragraph numbers to which your comment relates and explain any changes you consider should be made to the document.

This section can also be used to suggest a new potential development site to the Council (please state the full site address and contact details for the landowner(s) in your comments).

Site allocations Would you like to Please give us your comment	Site GB1 Coblands Nursery Brookwood A combination of these I agree that site GB1 Coblands should be released from Green Belt and developed (with Lyndhurst). However, I think that site GB3 should also be included in the development. Coblands cannot be considered as Green Belt, locally, it is already viewed as Brown Belt.
Proposed modifications - Please explain what changes you consider should be made (for example, to the text, to the site boundary)	I agree with the BBNF that there is a need for 1 and 2 bedroom houses, including affordable housing in the area. GB1 & GB3 would seem suitable for such development and I would support early development prior to 2022, with appropriate modifications to Brookwood Crossroads.

Site GB2 Five Acres 1 Brookwood

Objecting

I strongly object to the addition of a further 8 pitches on the Five Acres site and strongly object to the suggestion of a "Traveller transit site" which would appear contrary to the government guidelines regarding the size of traveller sites.

Proposed modifications - Please explain what changes you consider should be made (for example, to the text, to the site boundary)

I suggest that GB2 Five Acres is limited to the current 15 pitches in accordance with guidelines and the limit for effective management of the site.

Supporting

I would support this designation for this site.

Considering natural habitats for wildlife in the area, I would not wish to see any lighting installed along the new path connecting the Basingstoke canal towpath with the Brookwood farm development. This should be a Dark Green space.
