Dear Sirs

Woking 2027 DPD Consultation & Planning Proposals

GB8 (Nursery land adjacent to Egley Road)

GB9 (Woking Garden Centre, Egley Road)

GB10 (Land to the north east of Saunders Lane, between Saunders Lane and Hook Hill Lane)

GB11 (Land to the north west of Saunders Lane)

I STRONGLY OBJECT to the above proposals - to build new homes and to develop on land that is Green Belt

Green Belt was created to do just what it says - keep development off the areas which are included under its umbrella. This policy should be respected and not just discarded when it suits WBC, especially when its against the wishes of many residents

As well as wildlife disappearing and much needed open space for the those who live in this busy part of the country, of huge relevance is the fact that the area cannot sustain the increase demand all this development will place on it

Any and everyone (not just those that live in Mayford) who uses the roads, medical services, schools etc in the area will suffer

The Egley Road is already nose to tail crawling much of the time - how can WBC expect it to cope with more. It cant !!

The local services are already stretched - how are they to cope with more. They cant!!

Regards, Ccrouch
