Dear Missus Jackson.

Both my husband & myself strongly
objection to the planning for 423.
either side of Upshot Lane. Pyrford.
The surrounding area takes enough traffic
on the country lanes without adding
more, plus all the other concerns,
wild life, Pollution, disruption with
the amount of traffic etc etc.

We sincerely hope there is a
strong objection and this planning
does not go ahead.

Yours most sincerely,

ANN CUSPON.

PETER CUSPON.
