Subject: 400 houses for Pyrford

Dear Jeni

I wish to object to the proposed construction of 423 dwellings both sides of Upshot Lane.
Whilst I understand there is a shortage of housing in England, proposals should be concentrated on brownfield sites initially. Therafter if more housing is required thengreen belt land should not be used unless considered appropriate. I understand that your own planning consultants PBA rejected the land to the East of Upshot Lane for housing.
This area is very valuable as it provides excellent views of the North Downs that cannot be seen anywhere else.

Furthermore traffic congestion in Coldharbour Road adjacent the school is intolerable at present. Additional traffic that would ensue with further development would be unacceptable.

Please reconsider your proposals.

regards
