Dear Sir/Madam

Five Acre site off Brookwood Lye (GB2 & GB3)

We write to register our objection to the proposal to increase the site capacity to beyond the 15 that are already approved.

The current level of occupation is the maximum recommended by Government guidelines and any further increase will have a detrimental effect both for the gypsy community as well as the Brookwood community as a whole.

We are aware that in your latest document you consider the area to be two sites however history and precedent including your own policy from December 2013 has always considered this to be one site

Yours sincerely

Geoff & Denise Doe
