Your views on the Site Allocations document

This section is for providing comments regarding the Draft Site Allocations DPD. Please provide as much detail as possible, for example the page or paragraph numbers to which your comment relates and explain any changes you consider should be made to the document.

This section can also be used to suggest a new potential development site to the Council (please state the full site address and contact details for the landowner(s) in your comments).

Site allocations	Site GB16 Broadoaks West Byfleet
Would you like to	Objecting
Please give us your comment	West Byfleet will be chaos in Parvis Road with new houses and a new school eventually. There have been 2 deaths on Parvis Road in the last few years and many accidents. Woking Borough Council should not even consider any new development either here or on West Hall until the road can be updated, the health centre enlarged, the station platforms extended and the schools doubled in size. Unless these are done, West Byfleet will be ruined.
Proposed modifications - Please explain what changes you consider should be made (for example, to the text, to the site boundary)	Any development to Broadoaks should have a - in and out road to the Oaks and not on Parvis Road, West Hall should not happen. There should be huge new health centre next to the Nuffield Gym in Pyrford, the present health centre a car park for Waitrose which is now a nightmare to get into.

Objecting
There is no way people anyone can use Parvis Road to get to work or school during peak core hours without incurring slow moving traffic. This will have an impact on businesses, schools, trade etc.

Proposed modifications - please explain what changes you consider should be made, if any

Bad enough now, will be terrible with new developments. Encourage traffic to go through oyster lane to Woodham Road and then to Woking maybe, but not ideal.

Habitat Regulations Assessment (HRA)

A Habitat Regulations Assessment (HRA) was undertaken to consider the likely significant effects that the draft Site Allocations development plan document (DPD) might have on European designated habitats

Objecting

Please give us your comments

Woking Borough Council must listen to the people who live in WEst Byfleet, this entire development is opposed by the residents as bad decision making, to justify WBC quota of houses. WBC must not proceed without justifying all of their actions.

Proposed modifications - please explain what changes you consider should be made, if any

There is nothing to be done with Parvis Road, and WBC must not make a very bad situation worse.

This section is for general comment not covered by the previous pages.

Any other comments

The Health Centre, the Junior School, The Railway Station and getting into and out of West Byfleet is very hard now. Please dont make it worse.
