Dear Sirs,

Re: Woking 2027 DPD Consultation and in particular to site references:

GB10 (Land to the north east of Saunders Lane, between Saunders Lane and Hook Hill Lane, Mayford GU22 0NN)

GB11 (Land to the north west of Saunders Lane, Mayford, GU22 0NN)

GB14 (Land adjacent to Hook Hill Lane, Hook Heath, GU22 0PS)

As a resident of Hook Heath I am writing to register my objection to the removal of areas GB10, GB11 and GB14 from the Green Belt and to proposals to build houses on parcels GB10 and GB11 post 2027.

My reasons for objecting are:

Hook Hill Lane is a very narrow road and any exit to a new housing site from the Lane would cause many problems with traffic congestion etc. It is already a hazard with many people using it as a cut through etc.

The removal of these green belt areas would be very detrimental to the surrounding fields and woodlands and would completely spoil the unique atmosphere of this part of Hook Heath and Mayford.

Yours faithfully

C J & L Dunningcliff
