Subject: Proposed new housing in Pyrford

Dear Jeni,

Like many people who live in Pyrford we choose to live here because of the semi-rural nature of the village which is surrounded by beautiful countryside. It would be a tragedy if our village loses that character through the vast building plans proposed by the council. The community would not be able to sustain itself with the huge influx of people and cars within the current infrastructure. Already the Coldharbour Road is over-congested with the non-Pyrford residents whose children attend the local school and this would only get worse. Many people would be also be concerned about the depreciation of the value of their property if this building is allowed to happen. I hope that the council will take into consideration the character and feel of Pyrford village and how precious this is to its residents in any decisions you make about our future.

Yours sincerely
Alex Elbourn (Mrs)
