I am completely against this because we are already full up. Our roads are already overcrowded. It feels like "Big Brother knows what is best for you". No he doesn't. I have lived in this area for 59 years before the M25. In this time we have become more and more overcrowded. Now you want to build more houses. Madness.
Our quality of life is going down the drain.

- 1) The Green Belt must be preserved – there is other land available.
- 2) The Parvis Road (A245) will become unusable – and Byfleet will be gridlocked.
- 3) The current infrastructure provision (ie for education, health, drains, roads etc) is already inadequate and must be rectified BEFORE any developments.
- 4) Much of Byfleet and the proposed area has already been flooded or is in danger of flooding.
- 5) This removes most of the local Green Belt, while 98% of Woking's Green Belt is preserved.
- 6) The Byfleet Petition with some 2,500 names has been ignored.

Yours Sincerely
Mr. L Evans
