Site UA52 Camphill Club Scout Hut West Byfleet
Objecting
These two facilities have been so important to the residents in the area for so many years.It would be a real blow to the community to lose the social functions that they have provided.
So many children have benefitted from the various uses of the scout hut in the past and continue to utilise it today.Where else can young people socialise in the area?There are no youth clubs or alternative facilities for them.The Camphill Club has a long history of being at the heart of the community , wether it is providing a venue for live entertainment,raising money for charity or just providing a place for local people to congregate and enjoy each others company in a pleasant atmosphere.
The residents of nearby Stoop Court would also have their situation completely transformed during the demolition phase,the construction phase and by the completed development.
For these reasonsI feel that the proposed development

would have a deleterious effect on our village life.

Proposed modifications - Please explain what changes you consider should be made (for example, to the text, to the site boundary)
