Paris road will become heavily trafficked more than what is currently a problem.
There greenbelt land here is under constant threat which I feel I have to keep fighting for and should not have to. Other land is available so why use the diminishing greenbelt that attracted me to move to byfleet.
The drainage around byfleet village is very poor and under strain every winter and each down pour. More housing will make this worse.
The floods were so bad and flood plains struggled to cope. More building will make this worse and floods will effect even more homes. The proposed home will be at a high flood risk themselves.
I have already been signing petitions and feel very un heard as I have to keep appealing new applications to help save this tranquil well balanced village. Other land is available. Previous high number petitions have been ignored.
The site needs protection not building upon. Find more
