Dear Sir/Madam

My wife and I, as residents at this address for the past 32 years, wish to object in the strongest terms to the above planning application. In particular, the Leisure centre and running track.

We do not think that enough consideration has been given to the considerable increase in traffic and associated safety issues that may ensue, also the noise that these sporting facilities will generate. We are fully aware how noise carries now when Mayford Football club has local games, and the Leisure Centre will have a huge impact on not just the residents living in close proximity to the site, but as far afield as Prey Heath Road.

We understand the need for more Secondary School places in Surrey, but question if a Leisure Centre should be built on the same piece of land.

Further proposed development of Green Belt Land for housing, we feel will also compromise the village nature of Mayford.

Yours Sincerely

Mr C.J. & Mrs L.M.A. Forester
