Mr Justin Freeman

[REDACTED]

Silver Trees, Dartnell Avenue, West Byfleet, Surrey, KT14 6PL

Not a Proposed Site Allocation

505073.8048, 159000.9314

This proposal will ruin one of the nicest features of West Byfleet. This will increase traffic pressure on an already overwhelmed system. Clearly developers will benefit from this proposal but not the citizens of West Byfleet. The city will just become another victim of urban sprawl with no green space.
