Dear Sir/Madam

I wish to object to the proposed green belt release in the Byfleet area. for the following reasons

1. Parvis Road (A 245) will be seriously overloaded and Byfleet will be gridlocked.
2. Much of Byfleet has already been flooded and additional development will add to the pressure on the drainage system.
- 3 The Byfleet petition with some 2,500 names has been ignored.

Yours sincerely Mr Richard Hall, 22 Green Lane Close Byfleet.
