Subject: proposed release of green fields in pyrford for building
My name is Mr C J Hallam
45 Boltons Lane
Pyford
GU22 8TN

I am protesting at the proposal to release the two green field sites in Pyrford for the purpose of building. Apart from the problems of infrastructure, schooling and traffic. There is the damaging effect this will have on the landscape view, especially the Aviary Road area, which is of importance to the village. This seems to be an encroachment on the the Green Belt which could then set a precedent to annex the next field in the future.
