Dear Sir/Madam,

As a resident of Mayford village and following the new Green Belt Review and the discussions regarding the changes to alter the boundaries of the Green Belt in Mayford, I would like to voice my concerns on the issue and hereby, enclosing my personal comments on the latest proposal and the consultation that is being held.

I do hope you could take time and consider my points in your final decision.

I look forward to hearing from you soon.

With kind regards,

Mustapha Hamdi-Cherif
