

Site Allocations DPD consultation online questionnaire.

About This Form

This is the online form which you can use to give us your comments on the draft Site Allocations development plan document (DPD). The public consultation documents are available at [Woking2027 website](#).

The public consultation is open from **Thursday 18 June to Friday 31 July 2015**. Unfortunately we cannot accept responses received after 5pm on the closing date.

You can let us have your comments in a number of ways:

- 1. Use this online questionnaire – instructions are set out below.
- 2. Complete a downloadable / printable questionnaire and return this either by email to planning.policy@woking.gov.uk or by post to the Planning Policy team, Woking Borough Council, Civic Offices, Gloucester Square, Woking, Surrey, GU21 6YL.
- 3. Complete the comments form accompanying the online Site Allocations interactive map (see www.woking2027.info).
- 4. You can also register your comments with the Planning Policy Team at one of our public consultation events (see www.woking2027.info)

If you have any questions about completing this form please contact the Planning Policy team by email on planning.policy@woking.gov.uk or telephone on 01483 743871.

Mandatory Fields

This questionnaire will ask you for your views on the various consultation documents: the draft Site Allocations document, the Sustainability Appraisal and the Habitats Regulations Assessment. If you have no comments on any one of these, simply choose 'next' to move to the next page of the questionnaire.

You can also suggest a new potential development site or make a general comment (not specific to any one of the consultation documents).

Some fields are mandatory, so must be completed. They are marked with a red asterisk.

Please note we are unable to accept anonymous responses.

You must complete all the form in one session, no information will be saved. If a form is half completed and closed, you will need to start again.

Data Protection

Please be aware that representations received by the Council will be made publicly available.

The Council may also use this information within the Council to exercise functions of a public nature in the public interest.

Your views on the Site Allocations document

This section is for providing comments regarding the Draft Site Allocations DPD. Please provide as much detail as possible, for example the page or paragraph numbers to which your comment relates and explain any changes you consider should be made to the document.

This section can also be used to suggest a new potential development site to the Council (please state the full site address and contact details for the landowner(s) in your comments).

Site allocations	Site GB16 Broadoaks West Byfleet
Would you like to	Objecting
Please give us your comment	While there is a need for new housing, the reduction in Green Belt in this case is not practical as it is unhelpful. It is critical that local infrastructure can support what the council intends. Parvis Road, is EXTREMELY congested already. Byfleet already quite regularly gets gridlocked with very slow moving traffic going into West Byfleet, traffic at walking speed or to a maximum traffic speed of <<10mph, with more houses this will get worse.What is the council plans to help alleviate this on this road? Is there a solution? As living in Byfleet for more than 27 years, we have seen little progress in this regard.

Proposed modifications - Please explain what changes you consider should be made (for example, to the text, to the site boundary) Remove GB16 from the plan.

Sustainability Appraisal Report

Sustainability Appraisal has been undertaken to consider the likely significant effects that the draft Site Allocations development plan document (DPD) might have on the Borough in environmental, economic and social terms.

Section of the Sustainability Appraisal

15 Sustainability Appraisal findings

Would you like to
Please explain your comments

Objecting

An objective of the sustainability report is to minimize air, light and noise pollution and consider Air Quality Management. The report asks would the development of the AREAS site / policy option: affect an existing AQMA (or 'air quality hot spot') or lead to its designation? · help to improve air quality? · support specific actions in designated AQMAs? avoid an increase in congestion which may cause pollution from traffic?

The West Hall and Broadoaks site are argued to be within reasonable walking and cycling distance to West Byfleet District Centre and a range of services and facilities, including a primary school. consequently, the report argues it will help to reduce the need to travel by car.

This conclusion assumes that the person who provides the main income in each new house will commute by Train, and that the family/kids do not drive to schools which is unlikely to be the majority. Therefore, the traffic will increase and therefore pollution will increase. Thereby not meeting the aim of the report.

Proposed modifications - please explain what changes you consider should be made, if any

General comment or suggest a new site

This section is for general comment not covered by the previous pages.

Any other comments

Thank you for taking the time to respond.

You have reached the end of this questionnaire. Please ensure that you have completed all the relevant fields.

If you wish to review all the information you have supplied click on the **Review** button.

If you wish to change some of the information you have entered click on the **Previous** button to get back to the relevant page.

If you wish to discard the information you have entered click on the **Cancel** button.

When you are happy with the information you have supplied click on the **Submit** button.

What will happen next?

When you click the submit button, the information you have provided will be submitted to the Council as a formal response to the consultation. A copy will also be sent to the email address you have provided, for your records. Please note that responses will not be individually acknowledged.

After 5pm on 31 July 2015, all of the responses will be analysed. We will compile the results of the consultation and will update the Site Allocations document before asking for your views again. After that, the final Site Allocations document will be submitted to the Government for its consideration at an independent Examination.

The Council provides updates on the progress of this and other planning policy documents to those who have

responded to a previous consultation and /or have expressed an interest to be kept informed. We also keep our local plan website [Woking2027](#) up to date with the latest information.
