Dear Sirs

In connection with my comments on the Woking 2027 Proposals and further to a conversation with Ms. Tracey Haskins, I would like to inform you that I am the owner of a parcel of land currently included within Site GB-11.

I attach a copy of the plan of GB-11 in which I have marked, in hatching, the land which I own. In the context of the proposals for the development of GB-11, I wish to advise you that I have not considered and, at present, have no current intention of developing the land.

Kind regards

Jocelyn Harrow
