To Woking Borough Council ,

It was a great shock to hear of the amount of houses you plan to build

on our green belt .

At the moment the traffic on Parvis Road , which is the only road between Byfleet and West Byfleet is already very heavy, and imagine another 750 houses, each with 2 cars PLUS daily school traffic----- and that is just for the next 7 years !

The infrastructure to cope with such a big increase ( especially in traffic ) is simply not there and urgently needs addressing.

Very sad to see what is being done to this beautiful area.

Sincerely,

Ulla Hastrup
