Dear Sir or Madam

I have just found out about the proposal to build over 1,400 houses in this area, 150 houses and a 900 Private School on the Broadoaks, West Byfleet site.

I would like to lodge my objection to this proposal for the following reasons:-

1. The Parvis Road (A245) is totally unsuitable for the additional volume of traffic. I have lived in the Byfleet area for 4 years, 20 years in the New Haw area. The traffic on the Parvis Road is always heavy, gridlock during rush-hour and any if there is any roadwork's in the area, this causes even more traffic. To propose adding a school & houses which will increase the volume immensely will be ludicrous
2. Woking Green Belt has 98% preserved, whilst Byfleet will have most of it remove. Surely Woking would be a better site to add this propose site allocation.
3. The Byfleet petition with over 2,500 names has been ignored, surely locals should be listed to as it affects them the most.
4. Byfleet has flooding issues and much of the proposed area has already been flooded.

Kind regards

Linda Higgins
