Dear Jeni Jackson,

My wife and I urge you not to sacrifice the lovely Green Belt sites in the areas of Lovelace Road and Aviary Road as described in the WBC proposal for housing development in Pyrford.

We moved here to Pyrford in 1981 attracted by its rural charm, which still continues today.

Imagine how the experience driving along Pyrford Common Road would be completely altered by the existence of two large residential estates alongside.

The Green Belt is the greatest legacy we can leave for future generations. Please do not abandon it.
