Subject: Pyrford

Jeni,

We moved here 37 years ago because it had the country side we wanted footpaths, trees, fields and views also a village community.

It is very convenient for getting to many places by road and rail.

The school will not be large enough to meet the demand from the new houses.

We have congestion on our roads now so how will we cope with all the new traffic.

We are not against all development so why not have smaller developments of apartments and smaller houses for mature citizens of Pyrford who wish to stay here and so releasing family size houses.

If the planned developments go ahead it will ruin the country side around Pyrford for the future generations.

From Mr. Mrs. A L Hurst
