Subject: Pyrford development

Dear Jeni

I would like to register my concern over the proposed housing developments in Pyrford.

The village is not equipped with the infrastructure or facilities to support such a proposed development - the roads cannot cope with the additional traffic, the school cannot cope with any additional capacity and there are few amenities.

In addition, I believe it would fundamentally alter the character of the village and would destroy much needed and valued green belt land.

I am opposed to any development in and around Pyrford and would like to register my views.

Kind regards
Anna Johnston
