

## **Objection to Site Allocations DPD - Byfleet Village**

Dear Sirs,

I wish to lodge my objection to the proposed release of Green Belt land in Byfleet Village for a housing development.

I live in Rectory Lane which is a fairly busy road, should these houses go ahead I dread to think of the traffic increase we will see.

Byfleet becomes gridlocked as soon as there are issues with the M25 or A3. I can only anticipate with the huge number of houses being proposed this issue will become worse. Parvis Road will be a full time nightmare to navigate.

I understand from a recent meeting that 98% of Woking Green Belt land is preserved, yet should this release happen in Byfleet we will have hardly any Green Belt land left. Can I suggest you look at other areas which may have a better infrastructure to accommodate the housing requirements of the Borough rather than putting our lovely village under further pressure.

Kind Regards  
Lindsey Johnstone
