Subject: 400+New Houses for Pyrford
From Mr and Mrs Jones
2 Longridge Grove, Pyrford, surrey GU22 8PG

These are our personal views on these flawed and totally unacceptable proposals for Pyrford.

Firstly: Under the Government's stated purposes of green belt land:- ***To check the unrestricted sprawl of built up areas.***

This is exactly what this proposal is doing!

This will be the start of turning Pyrford into just another sprawling area of new houses at the cost to green belt land. But its not just Pyrford, when you look at it closer. Take the area of West Byfleet Broadoaks and West Hall, and Pyrford Lovelace Drive, and Aviary Road and you are looking at approximately 1160 + proposed new Dwellings. This is no small number! This will have a considerable impact on this local area. Woking council must consider the extra infrastructure costs that will be needed. Or will it be the old get out "We will be seriously looking into this" and in the end doing little about it.

The amount of road traffic in this area is rapidly increasing, the road routes that are available to cross the M25 are limited. Therefore even if these proposed projects didn't take place we are still looking toward growing and unacceptable traffic conditions in this area. More frequent Grid lock traffic jams will become the norm. If these proposals especially those in Pyrford are granted permission to go ahead, it can only get worse. Pyrford as I have known it for the last 26 years would be swallowed up into just an increasing urban sprawl and no longer be the village of Pyrford I know.

The people who live in Pyrford like it as it is and look to the current council to fight to protect their surrounding green belt land that is so important to them. If the resident people of Pyrford say No to this housing proposal, **then that is what they want!!** Who has a greater right to ignore them and just overrule these peoples wishes and blight their lives? Just to satisfy some government green belt building statistics.

At election time our potential council and MP candidates are constantly saying that they will fight for our community. **Well we voted for you, so now it's your turn to start fighting for the people and the village of Pyrford!!**

With my gravest doubts for the future of our village.
Robert Jones
