Please give us your comment	Your map is not very clear - I cannot tell from it whether the part of Albert Drive towards West Byfleet (past the roundabout) is included or not. It looks as if it is not. It looks as though it stops at the edge of Bishop David Brown school. If it were to include those parts of Albert Drive then I would be very very concerned about this. There is no need for any redevelopment of this area. I believe most of the homes are privately owned and have never heard anyone who is not happy with the area or their houses. There is certainly no 'deprivation' in this area. Any attempt to include this area would be a very cynical attempt at a land grab. I also have concerns about the area which appears to be within the red line. Whilst I can see some sense in re doing the centre part - the flats and shops in Sheerwater - I am struggling to understand the justification for the whole area. I do not know how many of those are privately owned but there seems to be a general feeling again that the Council is being cynical

and taking more than is necessary.
You also do not seem to have advertised this consultation very well - I only heard of it as my neighbours told me about it

Proposed modifications - Please explain what changes you consider should be made (for example, to the text, to the site boundary)
