| Would you like to | Objecting |
| Please give us your comment | I object to the proposal of building more houses and a school on the Broadoaks site as this will significantly increase the volume of traffic using Parvis Road (A245), which I understand is already one of the busiest A roads in the UK. Where will all the extra people go to school, doctors, hospitals etc? I understood that there was to be no extra building on this site except on the footprint of the existing buildings, what has changed? I also object to loosing more Green Belt land, many psychological studies have shown that people need green spaces for their inner well-being as well as for environmental reasons. There is little enough Green Belt land around West Byfleet, we shouldn't have to lose any more. |
