Dear Sir/Madam

Please find below my objections to the release of Green Belt land in Byfleet for 150 houses and 900 pupil school.

1, Our only Doctors surgery is already over subscribed and to get an appointment with a Dr is a 3/4week wait!!

2. The Parvis/Byfleet Road is a nightmare at the best of times, to even think of having 100's of more cars is ridiculous . At least once a week the area is gridlocked when anything happens on the M25 or A3

3. Byfleet is pretty much a flood plain area as it is , no need to say more.

4. If the above is not enough, please don't take our Green Belt land, we don't have much left, we lost a lot when the M25 was built. I'm sure there are more appropriate sites in and around Woking.

Yours sincerely

Lynne Kidd
