## Your views on the Site Allocations document

This section is for providing comments regarding the Draft Site Allocations DPD. Please provide as much detail as possible, for example the page or paragraph numbers to which your comment relates and explain any changes you consider should be made to the document.

This section can also be used to suggest a new potential development site to the Council (please state the full site address and contact details for the landowner(s) in your comments).

Site GB15 Land surrounding West Hall West Byfleet  
Objecting  
Road access to Byfleet is severely limited to one road (Parvis Road A245), and the Byfleet community frequently endures traffic gridlock. All traffic from Site GB15, immediately adjacent to Byfleet, would have to use Parvis Road, rendering it unusable.

Much of Byfleet has already suffered severe flooding or is in danger of flooding (see the Environment Agency flood risk maps). Inflicting more housing at Site GB15, Green Belt land immediately adjacent to Byfleet, inevitably increases this risk.

Proposed modifications - Please explain what changes you consider should be made (for example, to the text, to the site boundary)

Site GB15 should be removed from the proposal.
