Subject: New Housing Development Proposal For Pyrford

We strongly object to the proposal for 400+ new houses in the Pyrford area as we do not want to lose the rural aspect of the village life. The impact of more traffic in the already congested roads will be made worse by further development. Where would the extra population park when going to the Medical Centre? It would make more sense to build more accommodations for the elderly thereby releasing larger houses for younger people. The green belt should be preserved. Regards from:-
