Please give us your comment	Pyrford has lost enough Green Belt and had new developments over the previous 40 years (Warren park, redevelopment of Rowley Bristow, Wexfenne Gardens. Ripley to Pyrford Common Road is a busy road. The 423 proposed houses will choke the road network in the immediate locality. To try and mitigate this extensive road alterations would be required. The appeal of Pyrford is not huge roundabouts or traffic light controlled junctions, particularly opposite an area of historical significance such as Pyrford Court.
Proposed modifications - Please explain what changes you consider should be made (for example, to the text, to the site boundary)	Reduction of the quantity of housing (one side of upshot lane or the other) and then appropriate community development such as additional parking, shops or medical centres to support the new (reduced development).
